

1st European B+ Summit

Large-scale decarbonisation of Heavy-Duty Vehicles through higher biodiesel blends

Day 1 - 26 April

Portuguese Day

09:30 BOAS-VINDAS (WELCOME)

09:40 SESSÃO DE ABERTURA: Descarbonização, Economia Circular, Indústria e Mobilidade: Como pode o país capitalizar na revolução dos combustíveis verdes (Opening Session: Decarbonization, Circular Economy, Industry and Mobility: How can the country capitalize on the green fuel revolution)

ANTÓNIO COSTA E SILVA

Ministro da Economia e do Mar (Minister of the Economy and Maritime Affairs)

10:10 KEYNOTE PRESENTATION: Política Energética em Portugal e na Europa e biocombustíveis avançados (Energy Policy in Portugal and Europe and advanced biofuels)

TBD

10:25 KEYNOTE PRESENTATION: A visão do Parlamento Europeu (A view from the European Parliament)

CARLOS ZORRINHO

S&D, PT

10:40 KEYNOTE PRESENTATION - TBD

11:00 DEBATE: Descarbonizar o transporte pesado (Debate: Decarbonize heavy transport)

ANTÓNIO COMPRIDO
APETRO

LUÍS CABAÇO MARTINS
ANTROP

FERNANDO SALGADO
ARP

PEDRO POLÓNIO
ANTRAM

11:45 PAUSA PARA CAFÉ E REFRESCOS (MORNING REFRESHMENTS)

12:00 KEYNOTE PRESENTATION: Roadmap para as ofertas dos novos Combustíveis verdes (Roadmap for the new Green Fuel offers)

TERESA ABECASIS
GALP

12:20 PAINEL DE DISCUSSÃO: Discussão de pioneiros (Panel Discussion: Pioneer Discussion)

RUI SANTOS
BeyondFuels

ANABELA ANTUNES
Prio

TERESA ABECASIS
GALP

12:50 DEBATE: Como podem as entidades públicas contribuir para acelerar a Transição Energética na mobilidade (Debate: How can public entities contribute to accelerating Energy Transition in mobility)

TERESA P. LEÃO
LNEG

ALEXANDRE FERNANDES
ENSE

BÁRBARA SILVA (Moderador)
Jornal de Negócios

MANUELA SEIXAS FONSECA
DGEG

13:35 ALMOÇO (LUNCH BREAK)

15:00 PAINEL DE DISCUSSÃO: As regiões que lideram no B+ no Mundo (Panel Discussion: The leading B+ regions in the world)

ELMAR BAUMANN
VDB

15:45 PAINEL DE DISCUSSÃO: Casos de Sucesso B+ em Portugal (Panel Discussion: B+ Success Stories in Portugal)

JOÃO VIEIRA
Carris

HENRIQUE CARAMALHO
Bioport e ValpiBus

LUÍS RIBEIRO (Moderador)
Visão Verde

16:15 PAUSA PARA CAFÉ E REFRESCOS (AFTERNOON REFRESHMENTS)

16:30 KEYNOTE PRESENTATION: Descarbonizar o transporte pesado | a importância dos B+ e Outros Combustíveis Verdes (Decarbonize heavy transport | The importance of B+ and Other Green Fuels)

TBD

16:45 A perspetiva Europeia para a promoção dos Combustíveis Verdes B+ (The European perspective for the promotion of B+ Green Fuels)

ANDRÉ PAULA SANTOS
EBB

17:05 As Oportunidades para o País | Desafios de hoje, oportunidades de amanhã (The Opportunities for the Country | Today's Challenges, Tomorrow's Opportunities)

ANA MARISA CALHÃ
ABA

17:25 SESSÃO DE ENCERRAMENTO (Closing Session)

TBD

17:40 Resumo e principais mensagens do 1º dia (Summary and main messages of the 1st day)

EMANUEL PROENÇA
Prio / ABA

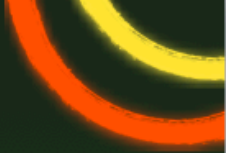

+ TBD

18:00 COCKTAIL RECEPTION

1st European B+ Summit

Large-scale decarbonisation of Heavy-Duty Vehicles through higher biodiesel blends

Day 2 - 27 April

International Days (Day 1)

09:00 WELCOME FROM MODERATORS

09:10 KEYNOTE PRESENTATION: Higher blends for European climate neutral transport

EMANUEL PROENÇA
Prio / ABA

09:25 KEYNOTE PRESENTATION: The future is eclectic: the importance of diversity in the race toward zero

DR. FELIX LEACH
University of Oxford, Co-author of the book: "Racing Toward Zero - The Untold Story of Driving Green"

09:55 Biodiesel and renewable fuels to achieve climate neutral heavy-duty transport?

CARLO HAMELINCK
Studio GearUp

10:15 Higher blends market: what is today's EU incentivized demand and how could this be impacted in the future?

GABRIEL FERRERA ROJANO
Stratas Advisors

10:35 PANEL DISCUSSION: Why are higher blends so critical to decarbonize mobility? Mobility demand, challenges in mass-electrification in heavy duty

EMANUEL PROENÇA
Prio / ABA

DICKON POSNETT
EBB

EWALD-MARCO MEUNZER
EWABA

11:45 MORNING REFRESHMENTS

12:00 HVO outlook, OEM views and how to detect renewable fuels

MATS HULTMAN
Neste / Scania

12:20 PANEL DISCUSSION: Heavy Duty and higher blends: Overcoming technical challenges

CAILEAN MACLEOD
EBB

DETLEF EVERS
MVaK

Dr. ALAIN LUNATI
sp3h

ADRIANO CORDISCO
RefuelSolutions

13:15 LUNCH BREAK

14:45 PANEL DISCUSSION: Fit-For-55 in transport; what incentives for Higher blends?

ANGEL ALVAREZ
EWABA

XAVIER NOYON
EBB

CARLO HAMELINCK
Studio GearUp

15:30 PANEL DISCUSSION: Higher blends case studies of national best practices

CLAIRE DUHAMEL (The case of France)
Oleo100

ELMAR BAUMANN (The case of Germany)
VDB

LUÍS NUNES (The case of Portugal)
Prio

16:30 AFTERNOON REFRESHMENTS

17:00 Decarbonising EU's trucks: the vision of manufacturers

THOMAS FABIAN
European Automobile Manufacturers' Association (ACEA)

17:20 The path to sustainable road transport, European policymakers' views

TBD

17:40 CLOSING REMARKS FROM MODERATORS

18:00 COCKTAIL RECEPTION

1st European B+ Summit

Large-scale decarbonisation of Heavy-Duty Vehicles through higher biodiesel blends

Day 3 - 28 April

International Days (Day 2)

09:30 WELCOME FROM MODERATORS

09:40 KEYNOTE PRESENTATION: The role of the Internal Combustion Engine (ICE) in the future of automotive

TBD

10:10 Official launch of the "B+ Manifesto: decarbonising HDVs with higher biodiesel blends"

Associations Presidents:

EMANUEL PROENÇA

Prio / ABA

DICKON POSNETT

EBB

EWALD-MARCO MEUNZER

EWABA

10:30 PANEL DISCUSSION: High biodiesel blends: How high can we go?

ADRIANO CORDISCO

RefuelSolutions

LUÍS SERRANO

Politécnico de Leiria

KATARINA FRIEDRICH

AGQM

11:30 MORNING REFRESHMENTS

12:00 Successful use of higher blends in corporate fleets

BENJAMIN HARTLAND

Greenery

12:20 HVO project in Portugal

HUGO PEREIRA

GALP

12:40 PANEL DISCUSSION: Biodiesel & HVO: How can they complement each other to achieve high blends

ANDREA MARTELLI

ENI

+ TBD

HUGO PEREIRA

GALP

13:30 LUNCH BREAK

14:30 Biodiesel Supply & Demand patterns towards 2040

TIMOTHY DEEHAN

Argus Consulting

14:50 Market Opportunities to decarbonize HDVs using Higher Blends

GLORIA ESPOSITO

Zemo Partnership

15:10 PANEL DISCUSSION: Decarbonising the existing fleet: addressing the Medium and Heavy-Duty Vehicles Market

GLORIA ESPOSITO

Zemo Partnership

TIMOTHY DEEHAN

Argus Consulting

GABRIEL FERRERA ROJANO

Stratas Advisors

15:40 AFTERNOON REFRESHMENTS

16:00 The role of renewable fuels in the decarbonization of transport beyond 2030

LUC PELKMANS

International Energy Agency (IEA) Bioenergy

16:20 A view from the European Parliament

Members of the European Parliament

CARLOS ZORRINHO

S&D, PT

MARIA DA GRAÇA CARVALHO

EPP, PT

16:40 The Outlook for Alternative Decarbonization Green Fuel Options

JESUS LOPEZ

BP

TOBIAS BLOCK

eFuel Alliance

KYRIAKOS MANIATIS

Imperial College London
Consultants

MARCO FERRAZ

GALP

17:40 CLOSING SESSION: Policies supporting the development of higher blends in Portugal

ANA FONTOURA GOUVEIA

Secretary of State for Energy, Portuguese Government

18:00 CLOSING REMARKS FROM MODERATORS
