

26 April

Portuguese Day

08:30 CHECK-IN

09:30 BOAS-VINDAS / WELCOME

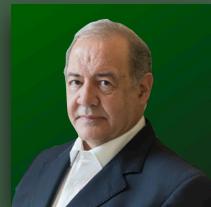

09:40 SESSÃO DE ABERTURA / OPENING SESSION

PT : Descarbonização, Economia Circular, Indústria e Mobilidade: Como pode o país capitalizar na revolução dos combustíveis verdes

ENG : Opening Session: Decarbonization, Circular Economy, Industry and Mobility: How can the country capitalize on the green fuel revolution

António Costa Silva

Ministro da Economia e do Mar
Minister of the Economy and Maritime Affairs

13:25 ALMOÇO / LUNCH BREAK

15:00 PAINEL DE DISCUSSÃO / PANEL DISCUSSION

PT : Casos de sucesso B+ em Portugal

ENG : B+ Success cases in Portugal

João Vieira Carris

Henrique Caramalho
Bioport e ValpiBus

Joana Presas Pinto Balsemão
Câmara Municipal de Cascais

Moderado por : **Luis Ribeiro** - Visão Verde

10:10 KEYNOTE PRESENTATIONS:

PT : A visão do Parlamento Europeu

ENG : European Parliament Vision

Carlos Zorrinho
S&D, PT

Maria da Graça Carvalho
EPP, PT

15:45 KEYNOTE PRESENTATION:

PT : Combustíveis verdes no Mundo - breve perspetiva sobre regiões líderes e tecnologias emergentes

ENG : Green Fuels in the World - Brief Perspective on Leading Regions and Emerging Technologies

Manuel Luiz

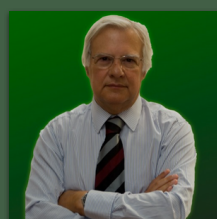

BCG

10:25 PAINEL DE DISCUSSÃO / PANEL DISCUSSION

PT : Descarbonizar o transporte pesado

ENG : Decarbonize heavy transport

António Comprido
APETRO

Luis Cabaço Martins
ANTROP

Gustavo Duarte
ANTRAM

Fernando Salgado
ARP

Moderado por : **Joana Petiz** - Dinheiro Vivo / DN

16:05 KEYNOTE PRESENTATION:

PT : As regiões que lideram no B+ no Mundo

ENG : The leading B+ regions in the world

Elmar Baumann

VDB

16:15 PAUSA PARA CAFÉ E REFRESCOS / AFTERNOON REFRESHMENTS

16:50 KEYNOTE PRESENTATION:

PT : A perspetiva Europeia para a promoção dos Combustíveis verdes B+

ENG : The European perspective for the promotion of B+ green fuels

André Paula Santos

EBB

11:30 KEYNOTE PRESENTATION:

PT : Roadmap para as ofertas dos novos combustíveis verdes

ENG : Roadmap for the new green fuel offers

Teresa Abecassis

GALP

17:10 KEYNOTE PRESENTATION:

PT : As oportunidades para o País | Desafios de hoje, oportunidades de amanhã

ENG : The opportunities for the country | Today's challenges, tomorrow's opportunities

Ana Marisa Calhõa

ABA

11:50 PAINEL DE DISCUSSÃO / PANEL DISCUSSION

PT : Discussão de pioneiros

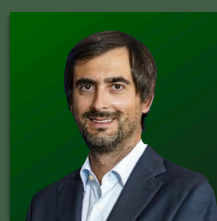

ENG : Pioneer discussion

Teresa Abecassis
GALP

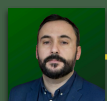

Anabela Antunes
Prio Bio

Rui Santos
BeyondFuels

Moderado por : **André Cabrita-Mendes** - Jornal Económico

17:30 RESUMO E PRINCIPAIS MENSAGENS DO 1.º DIA / SUMMARY AND MAIN MESSAGES FROM DAY 1

Emanuel Proença

Prio / ABA

12:35 PAINEL DE DISCUSSÃO / PANEL DISCUSSION

PT : Como podem as entidades públicas contribuir para acelerar a Transição Energética na mobilidade

ENG : How can public entities contribute to accelerate Energy Transition in mobility

Teresa Ponce Leão
LNEG

Alexandre Fernandes
ENSE

Manuela Seixas Fonseca
DGEg

Pedro Nunes
Zero

Ana Lúcia Costa
ERSE

Moderado por : **Bárbara Silva** - Jornal de Negócios

18:00 COCKTAIL RECEPTION

20:00 SIDE DINNER

27 April

International Days (day 1)

08:15 CHECK-IN

09:00 WELCOME FROM HOSTS

09:10 OPENING SESSION

Higher blends for a European climate neutral transport

EMANUEL PROENÇA
Prio / ABA

13:15 LUNCH BREAK

14:45 PANEL DISCUSSION

Fit-For-55 in transport: what incentives exist for Higher blends?

Angel Alvarez Alberdi
EWABA

Xavier Noyon
EBB

Carlo Hamelinck
Studio Gear Up

09:30 KEYNOTE PRESENTATION

The future is eclectic: the importance of diversity in the race toward zero

DR. Felix Leach
University of Oxford, Co-author of the book: "Racing Toward Zero - The Untold Story of Driving Green"

10:00 PRESENTATION

Biodiesel and renewable fuels to achieve climate neutrality in neutral heavy-duty transport

Carlo Hamelinck
Studio Gear Up

10:20 PRESENTATION

Higher blends market: what is today's EU incentivized demand and how could this be impacted in the future?

Gabriel Ferrera Rojano
Stratas Advisors

10:40 PANEL DISCUSSION

Why are higher blends so critical to decarbonize mobility?

Emanuel Proença
President of ABA

Dickon Posnett
President of EBB

Ewald-Marco Muenzer
President of EWABA

11:40 MORNING REFRESHMENTS

12:00 PRESENTATION

HVO outlook, OEM views and how to detect renewable fuels

Mats Hultman
NESTE / Scania

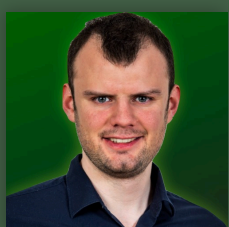

12:20 PANEL DISCUSSION

Heavy Duty and higher blends: Overcoming technical challenges

Detlef Evers
MVak

Cailean Macleod
EBB

Federico De Pietri
Refuel Solutions

Dr. Alain Lunati
sp3h

15:30 PRESENTATIONS and PANEL DISCUSSION

Higher blends case studies of national best practices

Luis Nunes
Prio
(The case of Portugal)

Elmar Baumann
VDB
(The case of Germany)

Claire Duhamel
Oleo 100
(The case of France)

Johannes Schmuckenschlager
PEK
(The case of Austria)

16:45 AFTERNOON REFRESHMENTS

17:00 PRESENTATION

Decarbonising EU's trucks: the vision of manufacturers

Thomas Fabian
European Automobile Manufacturers' Association (ACEA)

17:20 PRESENTATION

Best practice example for alternative fuels and higher blends

Massimo D'Alessandro
HAVI

17:40 PRESENTATION

The path to sustainable road transport, European policymakers' views

Recorded Messages From European Policymakers

18:00 CLOSING REMARKS FROM HOSTS

18:15 COCKTAIL RECEPTION

20:00 SIDE DINNER

28 April

International Days (day 2)

08:15 CHECK-IN

09:00 WELCOME FROM HOSTS

09:10 OFFICIAL LAUNCH OF THE B+ MANIFESTO

Official launch of the B+ Manifesto : decarbonising HDVs with higher biodiesel blends

Emanuel Proença
ABA

Angel Alvarez Alberdi
EWABA

Dickon Posnett
EBB

09:30 OPENING SESSION

The Portuguese Government's Perspective

Ana Fontoura

Secretary of State for Energy, Portuguese Government

10:00 PRESENTATIONS and PANEL DISCUSSION

High biodiesel blends: How high can we go?

Adriano Cordisco
Refuel Solutions

Luis Serrano
Politécnico de Leiria

Katarina Friedrich
AGQM

11:15 MORNING REFRESHMENTS

12:00 PRESENTATION

Successful use of higher blends in corporate fleets

Benjamin Hartland

Greenenergy

12:20 PRESENTATION

HVO project in Portugal

Hugo Pereira

GALP

12:40 PANEL DISCUSSION

Biodiesel & HVO: How can they complement each other to achieve high blends

Andrea Martelli
ENI

Benjamin Hartland
Greenenergy

Hugo Pereira
GALP

Alexandros Litinas
Elin Verd

13:30 LUNCH BREAK

14:30 PRESENTATION

Ongoing revision of CO₂ Standards for HDVs; state of play and potential impact on higher blends

Dasa Mamrilova

EWABA

14:50 PRESENTATION

Biodiesel Supply & Demand patterns towards 2040

Timothy Deehan

Argus Consulting

15:10 PANEL DISCUSSION

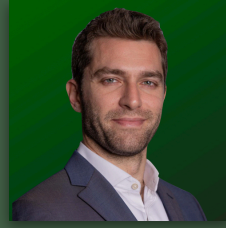

Decarbonising the existing fleet: addressing the Medium and Heavy-Duty Vehicles Market

Gabriel Ferrera Rojano
Stratas Advisors

Timothy Deehan
Argus Consulting

Leonidas Kanonis
EWABA

15:40 AFTERNOON REFRESHMENTS

16:00 PRESENTATION

The role of renewable fuels in the decarbonisation of transport beyond 2030

Luc Pelkmans

International Energy Agency (IEA) Bioenergy

16:20 PRESENTATION

A view from the European Parliament

Carlos Zorrinho
S&D, PT

Maria da Graça Carvalho
EPP, PT

Members of the European Parliament

16:40 PRESENTATIONS and PANEL DISCUSSION

The Outlook for Alternative Decarbonization Green Fuel Options

Jesus Lopez
BP

Kyriakos Maniatis
Independent Consultant

Dr. Tobias Block
eFuel Alliance

Marco Ferraz
GALP

17:40 CLOSING REMARKS FROM HOSTS
